## PROFILE

I am a passionate and imaginative designer specializing in the captivating realms of UX and UI design. With a Master's degree from the prestigious Indian Institute of Technology, Roorkee, I bring a wealth of expertise, creativity, and a fresh perspective to every project I undertake. My dedication to creating seamless user experiences and visually stunning interfaces is evident in my portfolio, which showcases my ability to harmoniously blend innovation with captivating visual design. With meticulous attention to detail, a keen eye for aesthetics, and a proficiency in industry standard deliverables; I am committed to crafting delightful and engaging designs that leave a lasting impression.

## EDUCATION

### Intermediate (Class XII)

Maharashtra State Board , Pune  
Science  
2016-2017

### Graduate (UG)

Savitribai Phule Pune University  
Mechanical Engineering  
2017-2021

### Masters

IIT, Roorkee  
Design  
2022-2024

## EXPERIENCE

### UI/UX Design Intern | May2023 - July2023

Kreo Design and Innovation

I was part of a team working on a project which included redesign of a website. This gave me an opportunity to work on various stages of the design process, get to know about the details and precision required while designing the interface, learning in depth about the tools used in the industry and much more.

## AWARDS

### Among Top 5 in "Adobe Designathon" in Tryst'23 by IIT Delhi (2023)

Project - ExTour

### Featured on "Packaging of the World"

Project - ChocoCarve
